The St. Francis Outreach Scholarship Fund (SFOSF) was founded in 1998 by parishioner, Joni McIntyre. Her dream of helping just one promising youth to attain a college education has resulted in the fund to date helping over 35 students.

All proceeds of Designs for Dining will benefit SFOSF.

St. Francis Episcopal Church and the SFOSF would like to extend special thanks to Chef Robert Bell of Chez Melange Restaurant and Mama Terano for his enthusiastic support of the event and this charity every year since 2007.
